To whom it may Concern:

It is with great pleasure that I recommend Tirzah Cadicamo. She was the most valuable member of Colorado Trails Ranch wrangler team.

Tirzah displayed a high degree of integrity, responsibility, and ambition. She is definitely a leader rather than a follower. She is also a most dependable team player. Her vast experience, good judgment and mature outlook ensure a logical and practical approach to her endeavors. Tirzah's organizational skill was a great asset to the management teams overall success.

Tirzah would be an asset to any organization, and I am happy to give her my wholehearted endorsement.

Tirzah is an intelligent and motivated individual. She is more than capable of managing groups of people. As a wrangler Tirzah was responsible for the activities, training and safety of groups that she led. She was always commended by the groups she led for her professionalism and her ability to make the training fun. Tirzah on numerous occasions took the lead and insured task accomplishment. Tirzah truly held the team together and raised the level of what is expected to succeed.

Sincerely,
